

Potential Supervisor at the KUL Doctoral School

Research profile	
Name, surname, postdoctoral degree or a professor degree in a discipline	Bartosz Jóźwik, PhD, Associate Professor
Scientific discipline: (according to disciplines offered by the KUL Doctoral School)	Economics and finance
Research profile: www address, Research Gate profile or Academia.edu profile	https://www.researchgate.net/profile/Bartosz-Jozwik-2
Research interests (areas of scientific research currently conducted)	European integration, environmental economics, economic growth and development in Central European countries, the European Union (for example the effectiveness of the Eurozone)
Three most important publications within four calendar years (2019-2022)	<p>Jóźwik, B., Kyophilavong, P., Dash, A. K., & Gavryshkiv, A. V. (2022). Revisiting the Environmental Kuznets Curve Hypothesis in South Asian Countries: The Role of Energy Consumption and Trade Openness. <i>Energies</i>, 15(22), 8709. https://doi.org/10.3390/en15228709</p> <p>Jóźwik, B., Gavryshkiv, A. V., & Galewska, K. (2022). Do Urbanization and Energy Consumption Change the Role in Environmental Degradation in the European Union Countries?. <i>Energies</i>, 15(17), 6412. https://doi.org/10.3390/en15176412</p> <p>Jóźwik, B., Gavryshkiv, A. V., Kyophilavong, P., & Gruszecki, L. E. (2021). Revisiting the Environmental Kuznets Curve Hypothesis: A Case of Central Europe. <i>Energies</i>, 14(12), 3415. https://doi.org/10.3390/en14123415</p>
Successful research grant applications at least at a nationwide level (max.6 grants):	“Religion, economic growth, and environment”, the project is funded by the Minister of Science and Higher Education within the program under the name “Regional Initiative of Excellence” in 2019-2022, project number: 028/RID/2018/19, the amount of funding: 11 742 500 PLN.
principal investigator	
investigator	“Religion, economic growth, and environment”, the

	project is funded by the Minister of Science and Higher Education within the program under the name “Regional Initiative of Excellence” in 2019-2022, project number: 028/RID/2018/19, the amount of funding: 11 742 500 PLN.
Experience in PhD supervision	
Number of PhD already promoted	
Number of currently supervised PhD students	
Number of currently supervised PhD students before opening doctoral dissertation/program	
Number of currently supervised PhD students at the KUL Doctoral School	
Offer and requirements for candidates	
Potential PhD project topics which the supervisor would like to supervise	Topics: Economic growth and development in Central European countries; Economic aspects of European integration, including an assessment of its functionality; The relationship between economic growth and environmental degradation in various regions of the world, including Central European countries.
Number of PhD students the supervisor would like to supervise	Maximum 2 PhD students
Requirements for candidates (e.g., research interests; current achievements; scientific, social or linguistic competences)	research interests: international economics, European integration, environmental economics,
Place for PhD individual work offered (e.g., laboratory, common room)	common room
Fundings for PhD research offered (e.g., grant)	
Contact (e-mail, link to the Teams meetings)	email: bjozwik@kul.pl
